**Wait List Policy**

1. A wait list for each slip length will be compiled and regularly updated. Regular moorage assignment for those seeking permanent moorage in the marina will be made from this list.
2. A non-refundable, non-transferable wait list registration fee of \$40.00 will be charged.
3. A phone call will notify the applicant. Applicants that want to automatically receive a slip may pay one month's moorage rent in advance. The rent will be applied to the first month's moorage rent. If any applicant on the wait list fails to accept moorage or cannot be contacted within 72 hours of the date moorage is offered the applicant will forfeit their spot on the wait list.
4. If applicant agrees to the offered moorage, the applicant has 15 days to submit contract to marina office with all applicable moorage fees. The moorage contract will have first month's rent of the moorage contract prorated from the date of notification.
5. Applicants are responsible for keeping the marina advised of applicant's current address and phone numbers.
6. **WAIT LIST APPLICATION IS FOR THE SLIP SIZE NOTED ON THE WAIT LIST APPLICATION BY LENGTH OVERALL AND BEAM.** If you decide to purchase a larger or smaller vessel before assignment of moorage and want to move to a different size slip from what is noted on the Wait List application, there is a non-refundable charge of \$10.00. You must submit a new wait List application with all appropriate information regarding the new vessel. The date of the new application is your new Wait List Date. Please note the waiting times vary for each slip size.
7. It is the applicant's responsibility to provide an alternate contact for the use by the marina office in the event that the moorage becomes available and the applicant temporarily cannot be reached at the phone number listed on the application.
