

THE RESORT AT PORT LUDLOW

A Notice to Our Guests

We want you to know how we are taking precautions to make our golf course a safe and healthy place for you to get exercise and enjoy some physical activity, while maintaining social distance as recommended by the CDC.

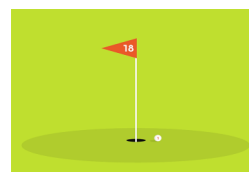

Parking Lot to Tee in

1, 2, 3

Check-In is a breeze in 3 easy steps:

1. Call the Pro Shop from your parked car to pay over the phone.
2. Check-In with our outside service person located in our Players Service booth
3. Head to the Tee Box

360-437-0272

The Stick Stays

One of the few shared items on a golf course that is touched by people is a flag stick.

For the time being, we are recommending leaving the flag stick in on the green. This USGA approved action will minimize touch points on the golf course.

There will be no Food or Beverage options offered at this time!

We are constantly sanitizing all common areas and high traffic areas throughout the day, including countertops, doors, tables, bathrooms and carts. As things change, we will revisit our policies and recommendations. Thank you for your support during this uncertain time.
