Our boutique waterfront Inn accepts all types of pets without size or weight restrictions.

We are pleased to offer fresh bowls of water located at the entrance to the Inn, complimentary dog treats made by our culinary team, a map with indicated pet-friendly hiking trails, designated clean-up sites with baggies, and the ability to dine on our veranda while your pet relaxes on the grass adjacent to the restaurant.

In order to ensure the comfort and safety of all our guests, we ask that you read the policies located on the opposite side of this card.

Service animals accompanying persons with disabilities are always accepted. Under the ADA, a service animal is individually trained to do work or perform tasks for the benefit of an individual with a disability.

Comfort or emotional support animals are not considered service animals under Washington State law.
