**Port Ludlow Marina Named *Elite Fleet Winner* in  
Marinas.com's 2020 Boaters' Choice Awards**

Port Ludlow, WA – On December 9, 2020, Marinas.com announced the Port Ludlow Marina as an *Elite Fleet Winner* in the 2020 Boaters' Choice Awards. The award recognizes marinas that went above and beyond to please boaters in 2020, maintaining an average star rating of at least 4.8 and receiving a minimum of 10 reviews throughout the year. The award acknowledges that the Port Ludlow Marina is one of the top 0.2% highest-rated marinas in the United States and one of only two in Washington honored with this prestigious status. Deer Harbor Marina on Orcas Island was also a winner. There were 90 marinas across the country that were recognized as *Elite Fleet Winners*.

"We couldn't be more pleased about receiving this recognition," says Kori Ward, Marina Director at Port Ludlow Marina. "We're very proud of the excellent customer service our staff provides and that our customers have acknowledged it in their high ratings of the marina."

The Boaters' Choice Awards are based on the number of reviews and average ratings on Marinas.com. Marinas with at least five reviews in 2020 and an average rating of at least four stars are recognized as Boaters' Choice. The next level of achievement is the "Elite Fleet Winners."
